Instructions to complete the layout:

1. Use a sanding block to sand all the edges of patterned papers, photo mats and fussy-cut images.
2. Prepare your chipboard title: Apply white chalk ink to the ONE IN A MILLION title. Lightly dab the brown and blue colour inks on the chipboards, over the white ink, blending with your finger or a blending tool, shading the colours to create an ombre effect. Apply dimensional glaze for a shiny finish and allow to dry.
3. Apply dimensional glaze to the other chipboard elements and allow to dry.
4. The MACHO (dark brown side) paper will be used as your background page.
5. Adhere STRIPES strip to the left of the dark brown background paper. Adhere scalloped strip, denim border and quote strip as per picture.
6. Adhere GREEN cardstock strip to the right of the page, approx. 1cm from the right edge. Add smaller denim border strip to the right side.
7. Adhere BLUE cardstock piece to the page, approx. 2,5cm from the bottom, tucking the zig-zag border strip under the top.
8. Adhere GRID photo mat to the top, approx. 4,5cm from the right and 1,5cm from the top, tucking tab under the top.
9. Adhere the 2 WOODGRAIN photo mats, along with quote card, to the centre of the blue block, raising the quote card with foam tape.
10. Adhere words strips from the acetate sheet to the top and bottom of the photo mats just stuck down.
11. Adhere bracket with foam tape to the bottom of the page.
12. Adhere tool collage (from fussy-cut sheet) to the top left corner and add inked title.
13. Use the remaining fussy-cut elements and chipboard elements to add embellishment to your layout (follow the picture for placement.) Decorate with metals and rhinestones from the embellishment pack.

Hope you have enjoyed completing this layout 😊

Love,

Juliet
